

# Marvista 2006-2007 Student Directory

Marvista PTSA publishes a school directory for the exclusive use of students and PTSA members. **It's a great resource for parents and teachers!** It includes a student directory (student & parent names, address, phone #'s, email) sorted by their grade level and teacher (and an index by last name), along with teacher contact info, school schedules, classroom map and more!

Directories will be delivered in late October. It is used **solely** by Marvista families for their personal use. If your student's phone number is unlisted with the school, your student's phone number will not be included, unless you request otherwise.

I wish my student(s) to be listed as follows:

Name of child	Boy/Girl	Teacher	Grade
1. _____	_____	_____	_____
2. _____	_____	_____	_____
3. _____	_____	_____	_____

Parents name(s) . . . . . \_\_\_\_\_

Your address . . . . . \_\_\_\_\_

City \_\_\_\_\_ Zip \_\_\_\_\_

Your phone number. . . . . \_\_\_\_\_

Cell phone number. . . . . \_\_\_\_\_

E-mail address . . . . . \_\_\_\_\_

**Yes, please send me school related email notices.**

I **DO NOT** want my student(s) information in the Directory:

Name of child	Boy/Girl	Teacher	Grade
1. _____	_____	_____	_____
2. _____	_____	_____	_____
3. _____	_____	_____	_____

Please return to the office, care of PTSA by: **Friday, September 15th.**
